History of Haskins Contracting

- 1982 Company started by Brian and Becky Haskins providing office cleaning with 2 employees.
- 1983 Joined the Home Builders Association sponsored by Barry Hayden. Began cleaning display homes for builders.
- 1985 To better serve our home builders, we began offering landscaping services including flowers and mulch for the displays.
- 1987 To further extend our successful line of services, we added lawn care.
- 1988 We added a line of paper goods as well as all types of lighting and bulb replacements to help the builders achieve that “grand opening” look daily.
- 1990 Relocated from Valley Park to our present location in High Ridge on 38 acres.
- 1998 Brian and Becky purchased the St. Louis dealership for SofTrak™ Putting Greens. We have installed over 35 greens.
- 2002 Opened a boat, RV and self-storage facility consisting of 109 non-climate controlled units and 170 outside units.
