

# Display Cleaning

We focus the same impeccable attention to detail on cleaning your displays as we devote to their exterior appearance and landscaping. We take great pride in keeping your models in perfect condition—just as we have for over 400 different communities over the past two decades.

## THE HOMER AWARDS

*When you choose to enter your models in the Homer Awards, you can rest assured that Haskins Contracting—with twenty years of experience preparing for the awards—will have your models in tip-top condition for the judging.*
